BAR IN MEETING

Future Judiciary Engages Atten-
tion of Attorneys.

A NOTE FROM THE COMMISSION

Opinions on a Good System for
Hawaii—Several Suggestions.
Referred.

At a meeting of the Bar Association
held in the office of the Attorney General
yesterday afternoon the following mem-
bers were present: Attorney General W.
O. Smith, F. M. Hatch, L. A. Thurston,
J. M. Davidson, Paul Neumann, Royal D.
Mead, R. D. Silliman, W. A. Henshall,
John D. Willard, P. L. Weaver, J. K.
Kaulla, J. M. Vivas, W. H. Wright,
Enoch Johnson, J. B. Early, J. L. Coke
and A. L. C. Atkinson. W. O. Smith was
elected chairman and Mr. Atkinson sec-
retary.

Mr. Smith stated the objects of the
meeting. It was desirable that the Bar
to consider and, if necessary, present to
the Commission any ideas relating to the
Judiciary that might be found expedient.
The following resolution, sent up from the
Commission, was read:

"The members of the Bar are invited to
express to this Commission in writing or
otherwise their views on judicial matters."

Mr. Smith remarked that it had been
suggested that three United States judges
be appointed to take the place of the present
supreme and circuit judges; another
suggestion was the appointment of one
Federal judge, the present courts to con-
tinue. The following general suggestions
were submitted by the Attorney General:

Resolved: That the Hawaiian Bar fully
recommend to the Hawaiian Commission,
the following judicial system:

1. That the Supreme Court of Hawaii
be the court of last resort of all matters
within its jurisdiction.
2. That a Federal Court be established
with jurisdiction over all cases arising
under Federal Courts in the several
States, and with appeal to the Higher
United States Courts in accordance with
law.
3. That the present system of a purely
appellate Supreme Court, with Circuit
Judges for the various circuits and Dis-
trict Magistrates be preserved.
4. That the Judges of Courts of record
be appointed by the Governor of Hawaii
by and with the advice and consent of
the majority of the Senate of Hawaii.
5. That the term of the Justices of the
Supreme Court be eight years, that of the
Circuit Court six years, and District Mag-
istrates two years.
6. That the distinction between Common
Law and Equity Procedure be preserved.
7. That the present system of commit-
ment of persons charged with crime, by Dis-
trict Magistrates instead of the regular
grand jury be continued so far as of-
fenses against local laws are concerned.
8. That the present system of jury trial
be continued under which a verdict in
both civil and criminal cases may be ren-
dered by nine or twelve jurors.
9. That the present system of requiring
juries composed of native Hawaiians to
try cases involving native Hawaiians be
continued, and of foreign juries to try
foreigners, be abolished.

Mr. Thurston said his ideas were in the
line of exclusive and final jurisdiction in
the courts here, except in cases involving
Federal matters or questions of Consti-
tutionality, which would necessarily go
to the United States courts for adjudica-
tion.

Judge J. B. Early, of Arizona, explained
the details of court systems of his terri-
tory. The courts there were not satis-
factory. In New Mexico and Oklahoma
the condition was the same. The speaker
recommended that the Commission be
asked for an independent appellate court;
also that Circuit judges be elected.

Mr. Neumann understood it to be the
sentiment of the Bar that the existing
system of Hawaii continue as a part of a
State government. He wanted to see the
Hawaiian system preserved, with the
Federal system applying in the regular
line as in the States. Personally, too, he
opposed limiting the tenure of judges of
the Supreme Court. Appointments
should be for life, or during good be-
havior.

Mr. Silliman remarked that the ten-
dency in the United States was to discour-
age any move on the part of Hawaii to-
ward Statehood. He thought stress
should be laid upon the matter of contin-
uing the present judiciary, drawing no
comparisons between it and the institu-
tions of other Territories or States.

Mr. Smith urged that the system of
commitment of persons charged with crime
by District Magistrates in place of the
grand jury system be continued.

Mr. Vivas moved to refer the whole
matter to a committee of three, to con-
sider the resolutions and report at 9
o'clock Saturday morning. Carried.

The chairman appointed F. M. Hatch,
Paul Neumann and S. M. Ballou on the
committee.

The American-Hawaiian Commis-
sion had another very long sitting yester-
day. Recess was taken from 1 to 2
p. m. and the session did not adjourn
until nearly 5 o'clock.

Claims.

WASHINGTON, D. C., Aug. 31.—The
There are some claims outstanding
against the late Government of Hawaii
mainly on account of British subjects,
and the adjustment of these will be a
matter for future consideration.

Steam Laundry.

The contract for building the new
steam laundry at Iwilei was let at 2
o'clock yesterday afternoon to William
Wagner. Work will begin at once.
Mr. Winston received a letter by the
Australia yesterday that the machin-
ery for the laundry was shipped on the
W. G. Irwin, now on her way to Ho-
nolulu.

GEORGE IS WEALTHY.

Engineer Otterson Made a Klondike Stake of \$80,000.

SAN FRANCISCO, Aug. 31.—The richest
man on board the last steamer from the
Klondike and perhaps the most interest-
ing was George W. Otterson, of Honolulu.
On his arrival in Alaska he commenced
speculating, and soon got hold of a good
Michael he stood his ground. He worked
the property to the fullest extent, and at
the end of the working season this year had
\$80,000.

Otterson had a presentiment that he
was going to be robbed and took the
greatest precautions to avoid it. He wait-
ed to get under cover, so he shipped an
assistant engineer on the river steamer
Sovereign. All the long voyage to St.
Michael he stood his watch and had his
treasure constantly under his eye. He
would have come down on the South Por-
tland in the same capacity, but there was
no room for him. The trip down the river
on the steamer took twelve days, many
of which were spent on sand bars.

Otterson was engineer here on the
dredger and at the public laundry and his
wife was a stenographer and a school
teacher.

CLERK HENRY SMITH.

Treatment for His Hearing Was
Not a Success.

Henry Smith, chief clerk of the Su-
preme Court, returned by the Australia
yesterday from Philadelphia, where
he went for treatment to his ears. The
operation was not successful. The
left ear was benefitted, but the right,
which had always been good, was de-
ranged by the operation. It was the
opinion of the Philadelphia specialist,
however, that the trouble with the
right ear was of a temporary nature
and that hearing in that side would
likely be soon recovered. Mr. Smith
has to use a trumpet at times now.

While abroad Mr. Smith visited a
number of big cities, including New
York and Washington. The latter im-
pressed him as being the prettiest
town in the United States. This was
Mr. Smith's first trip to America.

Onward Rapid Transit.

A meeting of the directors of the
Rapid Transit Company was held yester-
day. The manager was authorized to
proceed at once with the survey
work. For this business Mr. Ballou-
type will engage Frank M. Dodge, who
has been city surveyor a long time.
Mr. Dodge will run the route lines and
will fix the boundaries of lands that
are to be secured under the eminent
domain clause of the charter. A start
will be made at once. All the work
of the company is to be carried for-
ward without delay.

Stock Exchange.

A full meeting of the Honolulu
Stock Exchange was held yesterday
morning. Sales made were ten shares
of Ewa at \$240 and ten shares Oahu
assessable, \$125. The following sales
between boards were posted: 50 shares
Makaweli, \$175; 10 shares Olowalu,
\$117.50; 20 shares Ookala, \$110; 15
shares Oahu assessable, \$132.50. There
were further bids for Ewa, Ookala and
Kipahulu, but no sales.

During the session it was decided to
meet every day in future, beginning
with this morning.

Wool—Harvey.

Dr. Hubert Wood, Government phy-
sician, a brother of Professor Edgar
Wood, of the High School, was mar-
ried last Saturday afternoon to Miss
Annie Harvey, of Newport, Nova Scot-
ia, who arrived the day previous by
the Aorangi, from Victoria. The cere-
mony took place in St. Andrew's
Cathedral. Rev. Alex. Mackintosh of-
ficiated.

LACES AND ORGANDIES.

Valencienne laces, 25c a dozen yards;
fine French organdies, 5c a yard. The
clearance sale will be continued one
week longer and new goods, just re-
ceived, per Warrimoo, will be added to
the list of bargains. L. B. Kerr, Queen
street.

OF DREYFUS CASE

A Chief Witness Admits Forgery
and Kills Himself.

FRANCE IS AROUSED AGAIN

Col. Henry's Confession and Death
Soon After—A Resignation—Esther-
hazy—To Be Rehearing.

FORGER AND SUICIDE.

NEW YORK, Aug. 31.—A Sun cable
from Paris says: A day of anguish to
the vast majority of Frenchmen, ended
today in indescribable emotion, caused by
the news that the author of the army's
latest disgrace had committed suicide in
the cell he occupied in the fort at Mont
Valerien. Col. Henry, who was arrested
yesterday on a charge of having forged
a letter that had an important bearing on
the Dreyfus case, was found lying in a
pool of blood, having cut his throat with
a razor he had taken to prison with him
in a bag containing clothing. His con-
fession of the forgery was immediately
reported to Cavaignac, Minister of War.

It is a bare, terrible fact, that an of-
ficer, holding one of the most responsible
and most delicate positions in the French
army, head of the department concerned
in procuring secret information, should
have stooped to forgery in the pursuit of
an obscure, underhand plan, that fills
Frenchmen with despair of whom to
trust, whom to believe among all officers
concerned in the trial of Dreyfus. For
the moment, anti-Dreyfusites and Drey-
fusites among the Parisian public main-
tain their previous contentions more ve-
hemently than ever. The former are now
cursing both Col. Henry and Dreyfus, but
in Government circles the former's resig-
nations are working momentous changes.
There is authority for stating that Ca-
vaignac has decided to grant a revision
of Dreyfus' sentence. True, he maintains
that Col. Henry's forgery does not affect
the proofs of Dreyfus' treason, but his
speech in the Chamber of Deputies, which
was rapidly applauded and placarded
throughout France, in which he pro-
claimed his possession of a letter that
was a forgery, and as a result of trea-
son, was based on Henry's forgery.

What Henry's motives can only be
guessed, yet his own explanation is be-
lieved to have been that, being aware
of Dreyfus' guilt and determined not to
publish secret documents that figured at
the trial he invented his forged letter to
shorten the agitation for the revision of
Dreyfus' sentence of life imprisonment.

THE MOTIVE.

PARIS, August 31.—During the late Zola
trial Col. Henry accused Col. Picquart
of falsifying telegrams. A duel followed,
in which Henry was wounded. The next
scene occurred in the Chamber of De-
puties, where Col. Picquart proclaimed the
letter a forgery, and as a result was ar-
rested, while Henry's villainy was re-
warded by his being appointed Col. Pic-
quart's successor in the intelligence de-
partment.

It is now evident that Henry forged the
letter with the express object of paralyz-
ing Col. Picquart's efforts to expose Major
Estherazy, and to get a revision of the
Dreyfus case. The letter was written in
hand French, a fact which first led it to be
regarded as spurious.

SUPERIOR RESIGNS.

PARIS, Aug. 31.—It is said that if the
Cabinet decides upon a revision of the
Dreyfus case, M. Cavaignac, Minister of
War, will resign.

DREYFUS REVISION INEVITABLE.
LONDON, Aug. 31.—All the newspaper
commentators in London, Berlin, Vienna
and elsewhere regard a revision of the Drey-
fus case as now inevitable.

NORTHWESTERN REFINERY.

Schemes for Puget Sound Return
Cargoes.

SAN FRANCISCO, Aug. 31.—The steam-
er City of Columbia left Tacoma on the
27th for Honolulu. It is the intention of
the promoters of this new enterprise to
dispatch a steamer every twenty-five
days. Referring to the departure of the
above steamer the Tacoma News says:
"She has about 2,000 tons of merchandise
and seventy-five first class passengers.
Many of them business men going over
to the islands to look up business and es-
tablish connections with business houses
there. The question of return cargo for
the ship is being quite generally dis-
cussed, and it is reported that a strong
effort will be made to establish a sugar
refinery either at Tacoma or Seattle, mak-
ing the Sound the distributing point for
Hawaiian sugar. The managers of the
line say the outward cargo will pay a
good profit, independent of the return
cargo." First class round trip tickets
were sold for \$100. From San Francisco
to Honolulu cabin passage is \$75, or round
trip tickets \$125. As the trip is made in
a week, a charge of \$20 for a round-trip
ticket ought to pay the company well.
Such a rate would stimulate travel.

COFFEE.

Hawaiian—Better demand and mar-
ket steady. We quote as follows:

Fancy Washed, 17 1/2 @ 18 1/2; Prime
Washed, 16 @ 17; Good Washed, 15 @
15 1/2; Good Current Quality, 14c.

RICE.

Hawaiian—Market is very weak. Im-
porters are asking 5 1/2c, 60 days, but
would probably accept 5 1/2c.

First Practice.

The Y. M. C. A. orchestra made an
auspicious start last evening on the
new year's work. About half the or-
chestra attended the rehearsal in the
Y. M. C. A. hall. Wray Taylor wielded
the baton. The practice was kept
up until 9:30.

Camp Ground.

When Gen. Merriam returns to San
Francisco he will find awaiting him
there a proposition from Senator Geo.
N. Wilcox for the free use of a large
lot in the block Ewa of Independence
Park for the temporary encampment
for the troops remaining at San Fran-
cisco.

SAMOA'S KING DEAD.

Passing of Malietoa Will Force
Partition Issue.

AUCKLAND, N. Z., Aug. 29.—Malietoa
Laupapa, King of Samoa, died on Monday,
August 29, of typhoid fever.

MALIEAO.

WASHINGTON, Aug. 30.—The State De-
partment has not yet been officially ad-
vised of the reported death of King Ma-
lietoa of Samoa, and in all likelihood
will remain in official ignorance of the event
for some time to come, owing to the slow
means of communication at the disposal
of the department.

It is the general impression here that
the death of the King will result in a
change in the present form of govern-
ment of the islands, maintained, as it is,
by the joint action of the United States,
Great Britain and Germany.
